

Security Tip for the Month

The following are the results of some security door research of three of the area's providers. These are approximate costs. I am sure there are many other companies that can provide excellent doors.

- **Lowe's:** Good security doors from \$175.00 to \$300.00 - \$38.00 measuring fee - \$125 to \$175.00 installation charge.
- **Home Depot:** Good security door for \$280.00. Many to choose from with varying costs - \$125.00 to install.
- **Liberty Home Products:** The most expensive but the best door. Cost \$599.00. Installation \$80.00 to \$125.00.

Please, remember to check with the Architectural Review Committee (720-529-3791) before you buy or contract to install security doors. Bob Austin, Chairman
